- CAT C9 Rear Engine, 285 HP
- Operating Weight 84,000 lbs
- 22 Yard Capacity

33.25+ 29 Tires, 55/32 is New Tread Depth:

- Front LH tire measures 55/32nds, or 100% Remaining (“New”)
- Front RH tire measures 55/32nds, or 100% Remaining (“New”)
- Rear LH tire measures 33/32nds, or 60% Remaining
- Rear RH tire measures 32/32nds, or 58% Remaining

This is a pretty clean CAT 627G scraper, showing some higher hours, but well maintained by a national corporation prior. Strictly a dirt machine, no rock history. The bowl is good, all rollers are good, the hitch pins and bushings are above average tight, with no known leaking cylinders or hoses. All brakes adjusted and working.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and excellent financing programs if needed.
