These scrapers are clean and honest, not perfect, not new, but as nice as used scrapers available anywhere in the country. These machines are in our rental fleet, and we will rent to qualified contractors anywhere in the country for the right dirt job, no rock jobs considered. We would also sell machines as listed.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
