This machine just came in, it is as original as can be found, the paint is original. This machine was serviced by local Cat dealer on regular basis, all Cat Facts history available. The feet and wheels are in good condition. To find a good used 826K, with a reputable background this one has, is extremely difficult. Buy this one with confidence.

This machine is currently getting a work order in-house, including a full Cat TA2 technical inspection of all component pressures to Cat spec. We are also servicing all oils and filters on machine, along with several other pre-sale procedures. Please call or email requesting additional information that we can email you – this machine will be ready to go.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.

Price - \$328,000

About J.J. Scheckel

J.J. Scheckel is a first generation company that still operates from the same exact location in Iowa that the Scheckel family originally immigrated to over 170 years ago. We operate a well-maintained heavy equipment fleet that we both Rent and Sell from to customers located throughout the world. J.J. Scheckel also performs complete machine rebuilds, and custom build equipment projects in our 25,000 sq ft Service facility in Iowa. We are different because we truly and sincerely care about doing things "The Right Way". Please visit our home webpage to watch our company video "The Right Way" and learn more about JJ Scheckel Corporation.
