This machine has documented history from OEM Cat dealer rental fleet. Well maintained machine that runs and operates good. We would recommend general filters and oils service to the new buyer's preference level, machine has not been through our shop. We are selling wholesale in current status exactly as pictured. Machine has some surface level rust here and there exactly as pictures show.

Please call or email to have additional information and documentation emailed to you.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
