This machine is as good as they come for a used Cat 374FL. This machine was on a good preventative maintenance program its entire life, and we have documented service history and oil samples from the time the machine was new. This machine is very clean, straight, tight & original.

Please call or email to have additional information and documentation emailed to you.

We can provide buyer with additional bucket or attachment options upon request and additional cost.

Machine breakdown and load out for shipping is included free in the price of this machine. We take great pride in the detailed and professional plugging of all open hydraulic lines, detailed accounting of all hardware, pins, shims, and accessories.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
