This is a very good used Cat 374 Next Gen machine, Original paint other than track frames, counterweight, and bottom rail that we touched up. Straight, dry, tight and ready for work, low utilization stats and low lifetime load factor.

We can provide buyer with additional bucket or attachment options upon request and additional cost.

Machine breakdown and load out for shipping is included free in the price of this machine. We take great pride in the detailed and professional plugging of all open hydraulic lines, and detailed accounting of all hardware, pins, shims, and accessories. We can arrange transport to any end point for the buyer.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and excellent financing programs if needed.
