This is 1 of 2 matching trucks that came into a CAT dealer trade-in from contractor. They are 2 serial numbers apart and have been together since new. They will both be selling in their current condition just as they arrived. We don't have service dept. availability to fully service or address minor seeps or like kind issues. Both trucks start, run, shift, and operate as intended under limited test.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and excellent financing programs if needed.
