- Sprockets Measure – 87% Remaining.
- Front Idlers average - 46% Remaining.
- Rear Idlers average - 75% Remaining.
- Bottom Rollers average - 93% Remaining.

Here is a good ol' Cat D10R with some mid range to low hours on components. This machine came from high reputation dirt contracting company. We have regular SU blade for this machine listed and priced separately if you don't need the cushion blade; we will give a \$20,000 credit for it if we keep it.

We are currently performing a Complete Cat TA2 Pressure testing report for this machine, and several other work order related services. Please call or email to have additional information and documentation emailed to you.

Machine load out for shipping is included free in the price of this machine. We take great pride in the detailed and professional plugging of all open hydraulic lines, detailed accounting of all hardware, pins, and accessories. We can arrange freight to any endpoint.

Please call or email to have additional information and documentation emailed to you.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.

Call sales at 563-872-4112. If you prefer to text, text Josh @ 563-590-9903, or email sales@jjscheckel.com.

Machine Price: \$288,000
