jjscheckel.com/product/2007-cat-d10t-crawler-tractor-a03293/

Description

2007 Cat D10T, Good using machine just off power plant site, 85% plus UC, Hyd Ladder, Rear counterweight, Oil samples and CAT TA2 pressure testing report available. **Read the Details:**

- 40,125 Total hours.
- Running, operating, CAT D10T with good CAT TA2 pressure testing report, actual component hours unknown as the Power Plant site shut down/closure with no available management to share documents of previous rebuilds.
- No blade.
- Rear counterweight attached.
- CAT C27, 722 HP Engine.
- 155,000 lbs Operating weight.

Undercarriage measures as follows, based on CAT book spec of 120% as new:

- Rail/Chain height measures 75% Remaining.
- Links/Bushings on rails measure 100% Remaining.
- Pads/Grousers – 118% Remaining, 31” wide Track pads.
- Sprockets Measure – 100% Remaining.
- Front Idlers average - 88% Remaining.
- Rear Idlers average - 118% Remaining.
- Bottom Rollers average - 110% Remaining.

This machine came right off a Power Plant site closure. There is a long history of CAT Dealer service to the machine however with site closure there were no available employees to share prior rebuild paperwork or documentation specifics. You are buying it how it runs and operates today. Selling as-is, where is, no warranty expressed or implied. It is a super clean machine.

We performed a Complete CAT TA2 Pressure testing report for this machine, and are currently in the process of several other work order related services. Please call or email to have additional information and documentation emailed to you.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
