These trucks are ready to go. They have been maintained the very best by dealer since new under Gold Care Program. They were also really taken care of cosmetically at the job sites- the tinwork and bodies are very clean and straight.

Local Volvo dealer has come in and fully inspected these trucks in detail, along with taking all internal transmission, hydraulic, and engine pressures and settings to Volvo spec.

In addition and given time, this unit is scheduled to undergo an extensive, quality assurance internal inspection at our facility. Please call or email to have additional information and documentation emailed to you if finished.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and excellent financing programs if needed.
