- Front Idlers, average – 98% Remaining.
- Bottom Rollers, average - 71% Remaining.

This machine is straight & clean for its age, no major leaks. Runs out well and seems to be a good solid machine all the way around. Came from local farm who owned the machine for years. Paint isn't the best, as pictures show.

This machine is not going through our shop, it is selling exactly as it came in. We would suggest regular cleaning and all oils and filters serviced to the new buyer.

We invite your own personal, or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. Additional pictures, and Video available, for this machine, on our website, [www.jjscheckel.com](http://www.jjscheckel.com).

***Priced to sell! \$28,500***

**About J.J. Scheckel**

J.J. Scheckel is a first generation company that still operates from the same exact location in Iowa that the Scheckel family originally immigrated to over 170 years ago. We operate a well-maintained heavy equipment fleet that we both Rent and Sell from to customers located throughout the world. J.J. Scheckel also performs complete machine rebuilds, and custom build equipment projects in our 25,000 sq ft Service facility in Iowa. We are different because we truly and sincerely care about doing things "The Right Way". Please visit our homepage to watch our company video "The Right Way" and learn more about J.J. Scheckel Corporation.

Follow us on all social media platforms for immediate available equipment updates. We update daily on both Facebook and Instagram.
