Additional Info

These truck scrapers are ready to go. These trucks were maintained the very best by dealer since new. They were also really taken care of cosmetically, at the job sites, the tinwork and bodies are very clean and straight. Everything is complete, everything works as intended.

Local Volvo dealer has come in and fully inspected these trucks in detail, along with taking all internal transmission, hydraulic, and engine pressures and settings to Volvo spec. We have Volvo Dealer inspection reports, and Matris reports available for viewing.

The K-Tec 1237 scraper is low time use since new. The sale package includes the original truck dump body, and all the scraper controls and hitch kit. You can convert back and forth from dump truck to scraper in 1 day.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
