This machine has had excellent care, the prior Preventative maintenance program was provided by the Cat Dealer. This machine has remaining 2 year parts and labor factory Cat warranty that will transfer to the new buyer.

This machine is sound both mechanically and cosmetically. The Cylinders are Dry, and all the Linkages are Tight.

This machine is currently undergoing an extensive, quality assurance inspection at our facility, including a full Cat TA2 pressure testing inspection. Please call or email to have additional information and documentation emailed to you.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and financing programs if needed.
