To fit all CAT 740 and 740B articulated Trucks. The above listed part numbers are the main parts included in these kits, there are also a lot of very small parts including shims, clamps, and such I did not call out separately. These were complete kits removed from 740B Trucks we own. Each kit is on separate pallet. The only pipe that stayed on our trucks, that you may need if your truck is not already equipped with it, is CAT part # 364-5734, price is \$365 on that pipe.
