We have a matching package of 3 of these 3059's in stock. This particular machine seems to run and operate as it should. These MH3059's are very hard to find. A lot of life left in this machine; it has had an extremely low utilization rate since new. These units were over \$800,000 new. This machine has some small seeps, scratches, body blemishes consistent with the age and hours it has.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and excellent financing programs if needed.
