This is a good clean machine with factory warranty remaining, full 2 year, 2,000 hours remains. Machine came from a easy duty sand mine, very low lifetime load factor recorded, lots of idle time. Cat Facts Service history documentation available. We also have current Cat dealer Machine inspection available.

This machine is undergoing an extensive, quality assurance mechanical inspection at our facility, including a full Cat TA2 pressure testing inspection. Please call or email to have additional information, testing reports, and documentation emailed to you.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer Fair freight rates to any end point, and financing programs if needed.
