- 200 HP, Cat C7 engine, Pre-emissions.
- 40,500 lb Operating weight.

- **Radial Tires, size 23.5 R25 in fair condition exactly as pictures show.**

Machine came in from small contractor complete retirement. This is a hard to find pre-emissions Cat 950H with original low working hours on it, no visible oil leaks. Pins and bushings in the loader frame and center are good. Lots and lots of idle time. Door has some rust from water as pictures show which is typical for this model. All paint is original.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
