Here is a super low hour, really nice D6N XL, with 6 way blade. These units are hard to find at this price range. We sold this machine 14 years ago, and just traded it back in from local farmer customer that kept inside shed. The machine is exceptionally straight, clean and original. Good solid machine all the way around. Hours are 100% original and verified through the ECM download.

This machine won't last long. Please call or email for additional information that we can email you –

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa. We offer fair freight rates to any end point, and excellent financing programs if needed.
