About J.J. Scheckel

J.J. Scheckel is a first generation company that still operates from the same exact location in Iowa that the Scheckel family originally immigrated to over 170 years ago. We operate a well-maintained heavy equipment fleet that we both Rent and Sell from to customers located throughout the world. J.J. Scheckel also performs complete machine rebuilds, and custom build equipment projects in our 25,000 sq ft Service facility in Iowa. We are different because we truly and sincerely care about doing things "The Right Way". Please visit our homepage to watch our company video "The Right Way" and learn more about J.J. Scheckel Corporation.
